WILL COUNTY

FARM BUREAU

(815) 727-4811

Will County Farm Bureau will host a field day on July 30 at Jackson Creek Preserve. The field day will feature presentations by the University of Illinois, Jackson Creek Stewards, and Iowa State University. Along with having presentations, there will be soil pits comparing different soil practices.

The stewardship of soil health is important for land and economic sustainability of Will County. Learn more about one of the many ways this is achieved July 30th.

2.0 Soil and Water CEUs for Certified Crop Advisers will be provided.
